

**AFF website changes by client**  
**(refer goa film festival website (<https://iffigoa.org/>))**

- 1) Change the content design like this  
(11th Arunachal Film Festival - 6th - 8th March, 2026)

And (Name over lap to video should be edited by admin)

**11th ARUNACHAL  
FILM FESTIVAL**  
**6TH - 8TH FEBRUARY, 2026**

- 2) After video (text with important message in running way )

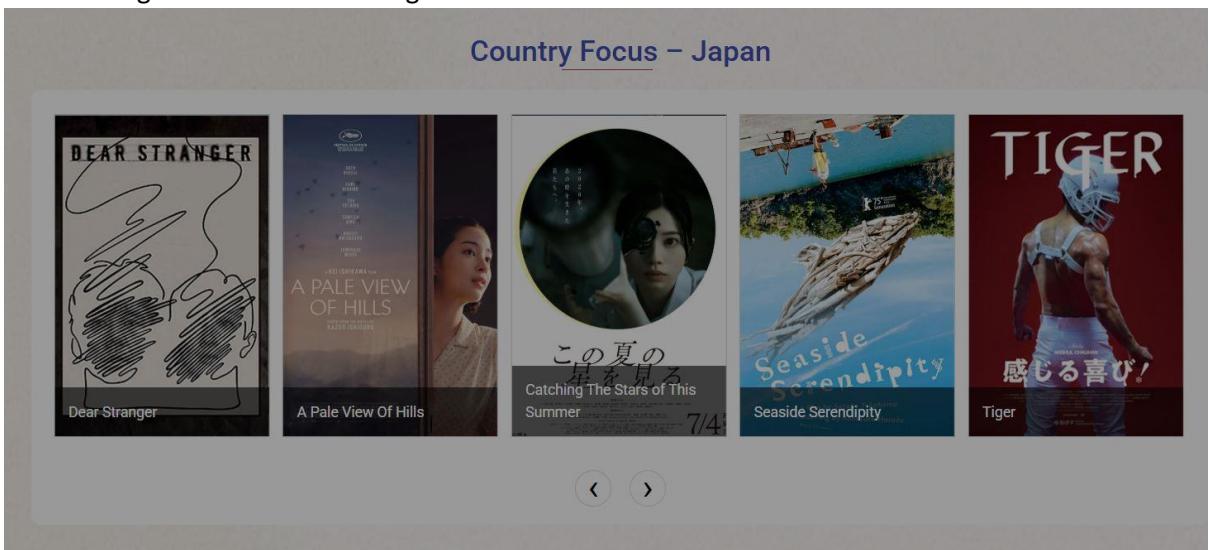

- 3) content after message ( left side image should be sliding) , right side content

- 4) After about , jury peoples details , in short (name , biodata, designation) , after clicking image more of jury peoples , details will come like a popup (not directing to other url)

- 5) After jury ---

Official Selections ( same like shown in below image , includes slide error and all design )  
The 6<sup>th</sup> image should be like sliding

"The jury goinging to displayed in a sliding show. When a user clicks on any image, a detailed popup will appear (without redirecting to another URL). The popup will include the film's synopsis along with the director's photograph and a brief biography."

- 6) Nomination for the best short film

Same as jury and all

- 7) Nomination for the best short documentary film  
Same as jury and all
- 8) After nomination . session plan (time and schedule) 3 days function  
(images shows previous year time table)

It contains 1) day1,2,3

Then screen 1 , 2 , 3 it depends on situation

Timings for there individual screens

3 to 4 fields contains like director , duration , function related etc  
(admin access ) and should be downloadable

Day 1 8th FEBRUARY, 2024			Day 2 9th FEBRUARY, 2024
